

TENDERS ARE INVITED FOR AN EXCITING OPPORTUNITY TO DELIVER A HERITAGE ENHANCEMENT AND ENGAGEMENT PROGRAMME DURING 2018

St. Peter's Church is a Grade II listed building, at the heart of the Folkestone Harbour Conservation Area and will soon be at the centre of the newly developed Folkestone Harbour neighbourhood, bringing considerably more residents and tourist visitors to the Parish and Church. The current projects will enhance the heritage of the Church, making it both more visible and accessible to visitors and bring the Church onto the cultural tourist trails being developed in the Town.

Costed Tenders are now invited to deliver two community heritage enhancement and engagement projects for the Parochial Church Council of St. Peter's Church as part of the current Heritage Lottery Funded works to the Church.

Details regarding the tender specification may be viewed on the Church website at: <http://stpetersfolk.church/restorations/current-tenders/>

Applications must be received by noon on Friday, 15th December 2017
