

## KEMSLEY PAPER MILL (K4) CHP PLANT PUBLICATION OF STATEMENT OF COMMUNITY CONSULTATION

DS Smith Paper Ltd are preparing an application to seek a Development Consent Order to give us permission to build a Combined Heat and Power plant at our Kemsley Paper Mill in Sittingbourne. The CHP plant would use natural gas to provide electricity and steam to the mill and would be a modern and more efficient replacement of one of our existing CHP plants which is now reaching the end of its operational life.

We have prepared a Statement of Community Consultation (SoCC) which sets out how we intend to consult the local community on our proposals. The SoCC can be viewed at the following locations (opening times may vary due to bank holidays etc.)

The Site Office, DS Smith Kemsley Paper Mill, ME10 2TD	9am to 5pm Monday to Friday
Swale Borough Council Offices, East Street, Sittingbourne, ME10 3HT	8:45am to 5pm Monday to Thursday, 8:45am to 4:30pm Friday
