Kent County Council, acting in exercise of its powers under the Road Traffic Regulation Act 1984, makes or intends to make the following Orders.

THANET AREA

A28 CANTERBURY ROAD, WESTBROOK, MARGATE (PROHIBITION OF DRIVING) TEMPORARY ORDER 2021

To allow highway and footway improvements to be carried out to improve road safety, Kent County Council has made an Order to temporarily prohibit through traffic on part of A28 Canterbury Road, Westbrook, Margate.

Overnight closures are planned from Thursday 25 February 2021 for up to 2 nights, between 19:00 hours through until approximately 05:00 hours each night.

A28 CANTERBURY ROAD will be closed in the general vicinity of the junction with Westbrook Avenue, to the actual extent shown on site.

The alternative routes for all through traffic are
Eastbound via B2052 George V Avenue, Hartsdown Road, Tivoli Road, Beatrice Road, College Road, A255 St Peter's Road, A254 Ramsgate Road, Queens Avenue, Eaton Road, Belgrave Road and Marine Terrace back to A28 Canterbury Road.
Westbound via A28 Canterbury Road, Marine Terrace, A255 Belgrave Road, Eaton Road, Grosvenor Gardens, High Street, St Peter's Road, B2052 College Road, Hartsdown Road and George V Avenue.

WESTBROOK AVENUE will be closed at its junction with A28 Canterbury Road and can be accessed via A28 Canterbury Road and Bridge Road.

The planned dates and duration may change for various reasons including adverse weather conditions and the current coronavirus situation.

A299 HENGIST WAY, RAMSGATE (PROHIBITION OF DRIVING) TEMPORARY ORDER 2021

To allow works to be carried out to install and move temporary barriers in connection with the construction of an access road to the new Thanet Parkway railway station, Kent County Council intends to make an Order to temporarily prohibit westbound traffic on part of A299 Hengist Way, Ramsgate.

Overnight closures are planned for the nights of Sunday 14 March 2021 and Wednesday 24 March 2021.

Closures are from 19:00 hours through until approximately 05:00 hours each night.

A299 Hengist Way will be closed westbound (London-bound) only between Lord of the Manor Roundabout and Sevenscore Roundabout

The alternative route for westbound traffic is via A256 Haine Road, New Haine Road, Haine Road, A254 Margate Road, Ramsgate Road, B2052 College Road, Hartsdown Road, George V Avenue, A28 Canterbury Road, A299 Thanet Way and A299 Canterbury Road West back to Hengist Way.

Eastbound traffic is unaffected.

The planned dates and duration may change for various reasons including the current coronavirus situation and adverse weather conditions.

LONSDALE AVENUE, MARGATE (PROHIBITION OF DRIVING) TEMPORARY ORDER 2021

To allow gas mains replacement works to be carried out, Kent County Council has made an Order to temporarily prohibit through traffic on part of Lonsdale Avenue, Margate.

A closure is currently planned from Monday 22 February 2021 for an estimated period of up to 2 weeks.

Lonsdale Avenue will be closed near the junction with Gloucester Avenue, with no through access between the junctions with Gloucester Avenue and Clarence Avenue.

The alternative routes for through traffic are via Gloucester Avenue, B2051 Palm Bay Avenue and Clarence Avenue or Clarence Avenue, B2055 Northdown Road and Gloucester Avenue.

Due to the nature of the works, it will not be possible to re-open the road outside the working hours.

TURNER STREET, RAMSGATE (PROHIBITION OF DRIVING) TEMPORARY ORDER 2021

To allow works to be carried out to provide a new gas supply, Kent County Council has made an Order to temporarily prohibit through traffic on part of Turner Street, Ramsgate.

A closure is currently planned from Monday 22 February 2021 for up to 5 days.

Turner Street will be closed in the general vicinity of the junction with High Street, as shown on site.

Through traffic should use Broad Street

Due to the nature of the works, it will not be possible to re-open the road outside the working hours.

THANET SURFACE TREATMENTS 2021 (TRAFFIC RESTRICTIONS) TEMPORARY ORDER 2021

To allow a programme of carriageway patching and surface treatment works to be carried out, Kent County Council intends to make an Order to temporarily restrict traffic on various roads throughout the Thanet District.

This is part of a county-wide programme which involves up to 3 phases of works per road

- Patching & repairs
- Laying the Surface Treatment
- Finally works to reinstate road markings and adjust iron-works (road drain covers, manhole covers, etc.) to suit the new surface.

Each of the phases may require a road closure, so there may be up to 3 separate closures for each road at different times.

Works not requiring closures may involve the imposition of temporary compulsory speed limits.

The dates of works have yet to be finalised at this stage.

Once the works have been programmed, the dates will be publicised beforehand, sign-posted on site and notified to local residents.

ROAD CLOSURES

Closures will generally be within the times 07:00 hours and 19:00 hours each day, but certain works may need to be carried out outside these times where there is a specific need.

Road closures will be to the actual extent indicated by appropriate signage and barriers on site.

Access for any residents and businesses affected will be maintained when it is safe to do so, especially for those roads which are *cul-de-sacs*; however, there are likely to be delays and certain times when this is not possible for safety reasons.

SPEED LIMITS

Temporary mandatory speed limits may need to be imposed on certain roads for the reasons defined below.

Where compulsory speed limits need to be imposed, they will apply in both directions and will be clearly indicated by relevant signage displayed on site.

- After Surface Treatment works, a speed limit of 20 mph may need to be imposed on certain roads for a period of up to 7 days.
- Where works are being carried out without the need for road closures, a 20 mph speed limit may need to be imposed through active works for safety reasons
- An additional 40 mph speed limit may need to be imposed for up to 300 metres either side of the 20 mph speed limits, to create a safe zone.
- The 20 mph and 40 mph speed limits apply during active works and for up to 7 days afterwards.

This Order comes into force from Monday 8 March 2021 and remains in force until the works have been completed, for a maximum of 18 months.

These works are subject to weather and other factors which may potentially cause changes at short notice; every effort will be made to keep as close as possible to the planned dates that are notified, and any changes will be publicised.
