

## STATUTORY NOTICE FOR TEMPORARY USE BAN

South East Water gives notice that, pursuant to sections 76 and 76A-C of the Water Industry Act 1991, and from the beginning of 12th August 2022 at 12:01 am, throughout its Kent and Sussex area of supply, as shown in the map below, it prohibits the uses of potable water supplied by it (that is water treated to drinkable standards) set out below. Those subject to the temporary use ban will be customers of South East Water and those in receipt of our water but who may be served by other companies such as business users.

- Watering a garden using a hosepipe
- Cleaning a private motor-vehicle (or a trailer for such a vehicle) using a hosepipe
- Watering plants on domestic or other non-commercial premises using a hosepipe
- Cleaning a private leisure boat using a hosepipe
- Filling or maintaining a domestic swimming or paddling pool
- Drawing water, using a hosepipe, for domestic recreational use
- Filling or maintaining a domestic pond (manmade or natural) using a hosepipe
- Filling or maintaining an ornamental fountain (including a cascade or any other display of moving water, and includes filling by permanent plumbing)
- Cleaning walls, or windows, of domestic premises using a hosepipe
- Cleaning paths or patios using a hosepipe
- Cleaning other artificial outdoor surfaces using a hosepipe

### The following will be exempted from the restrictions:

You will not need to apply for an exemption but South East Water may question your use of an exemption if reports of hosepipe usage are received or evidence of a hosepipe is detected.

Any person who contravenes any of these prohibitions is guilty of an offence, and may be liable on summary conviction to a fine not exceeding £1,000.

Restricted Hosepipe Use (What you can't do)	Exemption (Pre-approved exemptions for certain categories of people or uses of water – if one of these applies to you then you can use your hosepipe for this reason)
Any restricted use	People who may find it hard to make adaptations and are registered with the South East Water's Priority Service Register will be granted an automatic exemption to any of the restrictions and will receive notification of this directly. If you believe you should be on the Priority Services Register please go to <a href="http://www.southeastwater.co.uk/psr">www.southeastwater.co.uk/psr</a> to register.
Any restricted use	Where using a hosepipe for any of the restricted purposes is required for unavoidable health and safety, such as removing or minimising any risk to human or animal health or safety, or preventing or controlling the spread of causative agents or disease, this will not be restricted.
Any restricted use	Using a hosepipe where the welfare and/or health and safety of animals including fish is paramount will not be restricted
Any restricted use	Using a hosepipe that is connected to a water butt or other recycled water storage system will not be restricted
a Watering a garden using a hosepipe A "garden" is a private or public garden, a lawn, a park; a grass verge; an area of grass used for sport or recreation; an allotment used for non-commercial purposes; and any other green space. A garden is not: • agricultural land, • land used in the course of a business for growing any crops, fruits, vegetables or other plants for sale or commercial use; • land used for National Plant Collection; • a temporary garden or flower display (i.e. on show to the public for no more than 7 days); or • Plants in an outdoor pot or in the ground under cover (under cover being in a greenhouse, outbuilding or under a permanent canopy).	<ul style="list-style-type: none"> <li>using a hosepipe to water an area of grass or outdoor artificial surfaces used for sport or recreation (on the active strip/ playing area – not the whole grounds) when undertaken outside of daily peak hours that occur 8am to 10am and 5pm to 9pm.</li> <li>drip or trickle irrigation watering systems, fitted with a pressure reducing valve and a timer, that are not handheld, that place water drip by drip directly onto the soil surface or beneath the soil surface, without any surface run off or dispersion of water through the air using a jet or mist; a fixed watering system; use of watering cans and not hoses</li> <li>watering of new lawns for first 28 days after being laid and when undertaken outside of daily peak hours that occur 8am to 10am and 5pm to 9pm.</li> </ul>
b Cleaning a private motor-vehicle (or a trailer for such a vehicle) using a hosepipe	<ul style="list-style-type: none"> <li>where the cleaning is done as a service to customers in the course of a business or to clean public service or goods vehicles</li> <li>Private motor vehicle does not mean taxis or goods vehicles or commercial vehicles</li> </ul>
c Watering plants on domestic or other non-commercial premises using a hosepipe	<ul style="list-style-type: none"> <li>watering plants (crops, vegetables or fruit) that are grown or kept for sale or commercial use, National Plant Collections or temporary garden or flower displays;</li> <li>drip or trickle irrigation watering systems, fitted with a pressure reducing valve and a timer, that are not handheld, that place water drip by drip directly onto the soil surface or beneath the soil surface, without any surface run off or dispersion of water through the air using a jet or mist; a fixed watering system; use of watering cans and not hoses</li> </ul>
d Cleaning a private leisure boat using a hosepipe	<ul style="list-style-type: none"> <li>where this is done as a service to customers in the course of a business or to clean public service or goods vehicles</li> <li>this will not apply to the inside of your boat.</li> </ul>
e Filling or maintaining a domestic swimming or paddling pool	<ul style="list-style-type: none"> <li>Where you do this with a water conservation recycling system or hand held container</li> <li>filling or maintaining a permanent swimming pool where necessary in the course of its construction or where it is designed, constructed or adapted for use in the course of medical treatment</li> </ul>
f Drawing water, using a hosepipe, for domestic recreational use	
g Filling or maintaining a domestic pond (manmade or natural) using a hosepipe	Where this is for the welfare of the fish or aquatic animals in the pond
h Filling or maintaining an ornamental fountain (including a cascade or any other display of moving water, and includes filling by permanent plumbing)	Where this is used as part of recognised religious practices
i Cleaning walls, or windows, of domestic premises using a hosepipe	where this is done as a service to customers in the course of a business or to clean public service or goods vehicles
j Cleaning paths or patios using a hosepipe	where this is done as a service to customers in the course of a business or to clean public service or goods vehicles
k Cleaning other artificial outdoor surfaces using a hosepipe	where this is done as a service to customers in the course of a business or to clean public service or goods vehicles

Representations concerning any of these prohibitions may be made in writing by 11th August 2022 to the Head of Water Resources at South East Water, Rocfort Road, Snodland, Kent ME6 5AH or [TUBS@southeastwater.co.uk](mailto:TUBS@southeastwater.co.uk). If, as a result of such representations, South East Water decides to vary any terms of the prohibition, a further notice will be published. Subject to this, the prohibitions will have effect from the beginning of 12th August 2022 and will remain in force until further notice.

Further details concerning the prohibitions and actions concerning the current drought may be found on South East Water's website at [www.southeastwater.co.uk/TUBS](http://www.southeastwater.co.uk/TUBS)
